INFO

03/08

Here we will find the most important community updates and news

Welcome - 2

When someone joins, you will see there the new user.

Announcements

Here you will see the next meetings, weekly reminders and more.

Rules

No need to explain that ;)

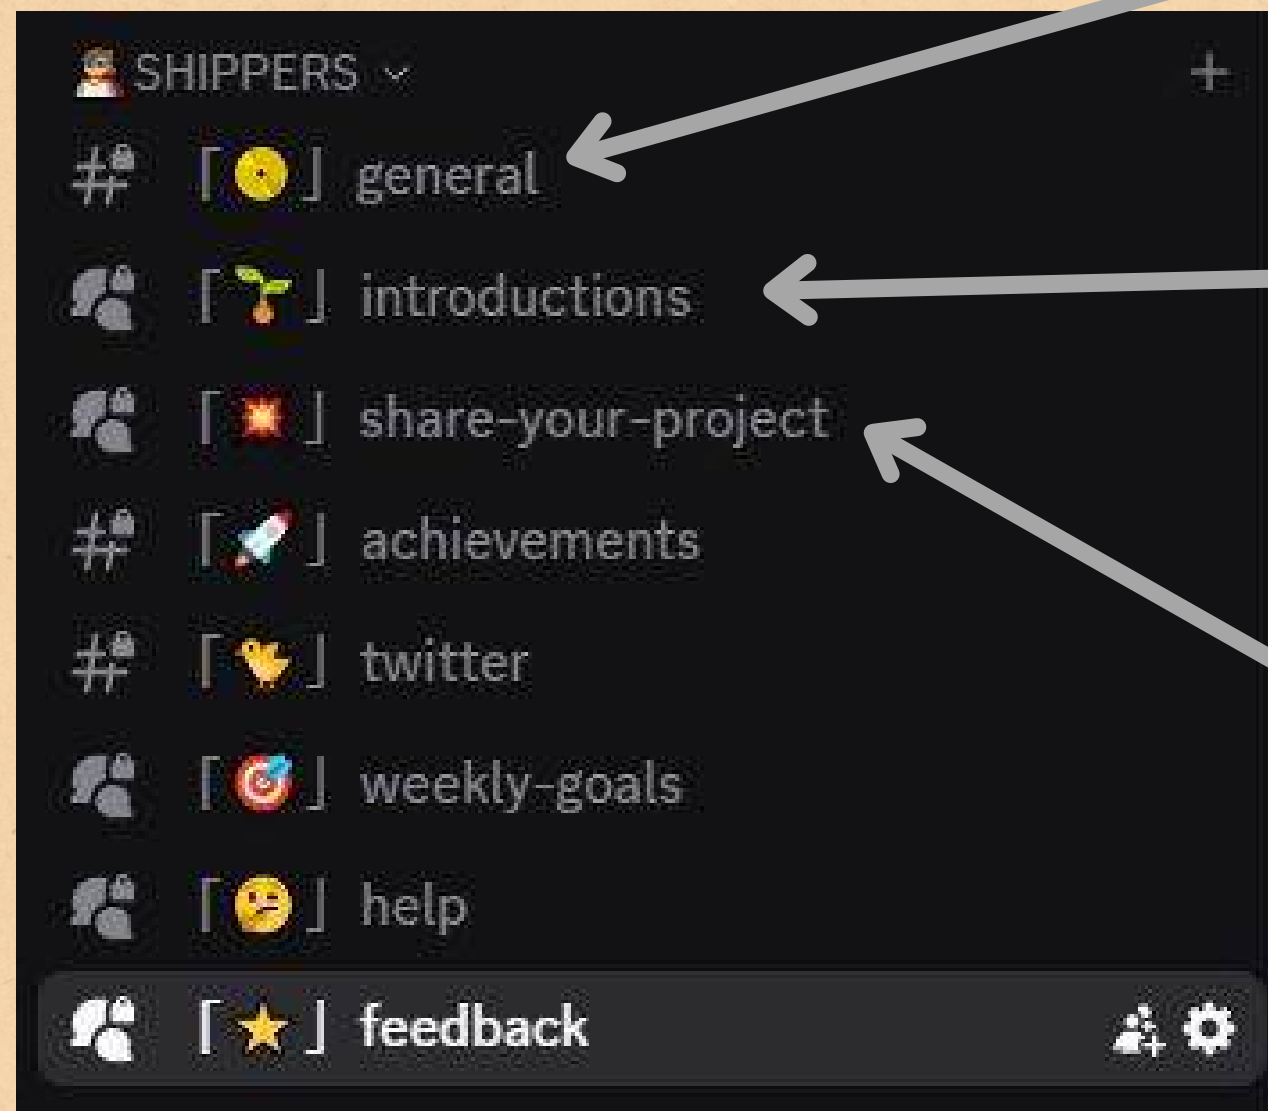

News

There we are going to post all the Community Updates.

SHIPPERS 1

04/08

Where we will spend most of our time...

General

There's no topic there, you can talk about whatever you want. No limits, feel free to have long conversations, send memes, and more.

Introductions

Magic start here. Do you remember that when you joined the server, we made several questions?

So here you can find all the users introductions, projects, skills, X profile...

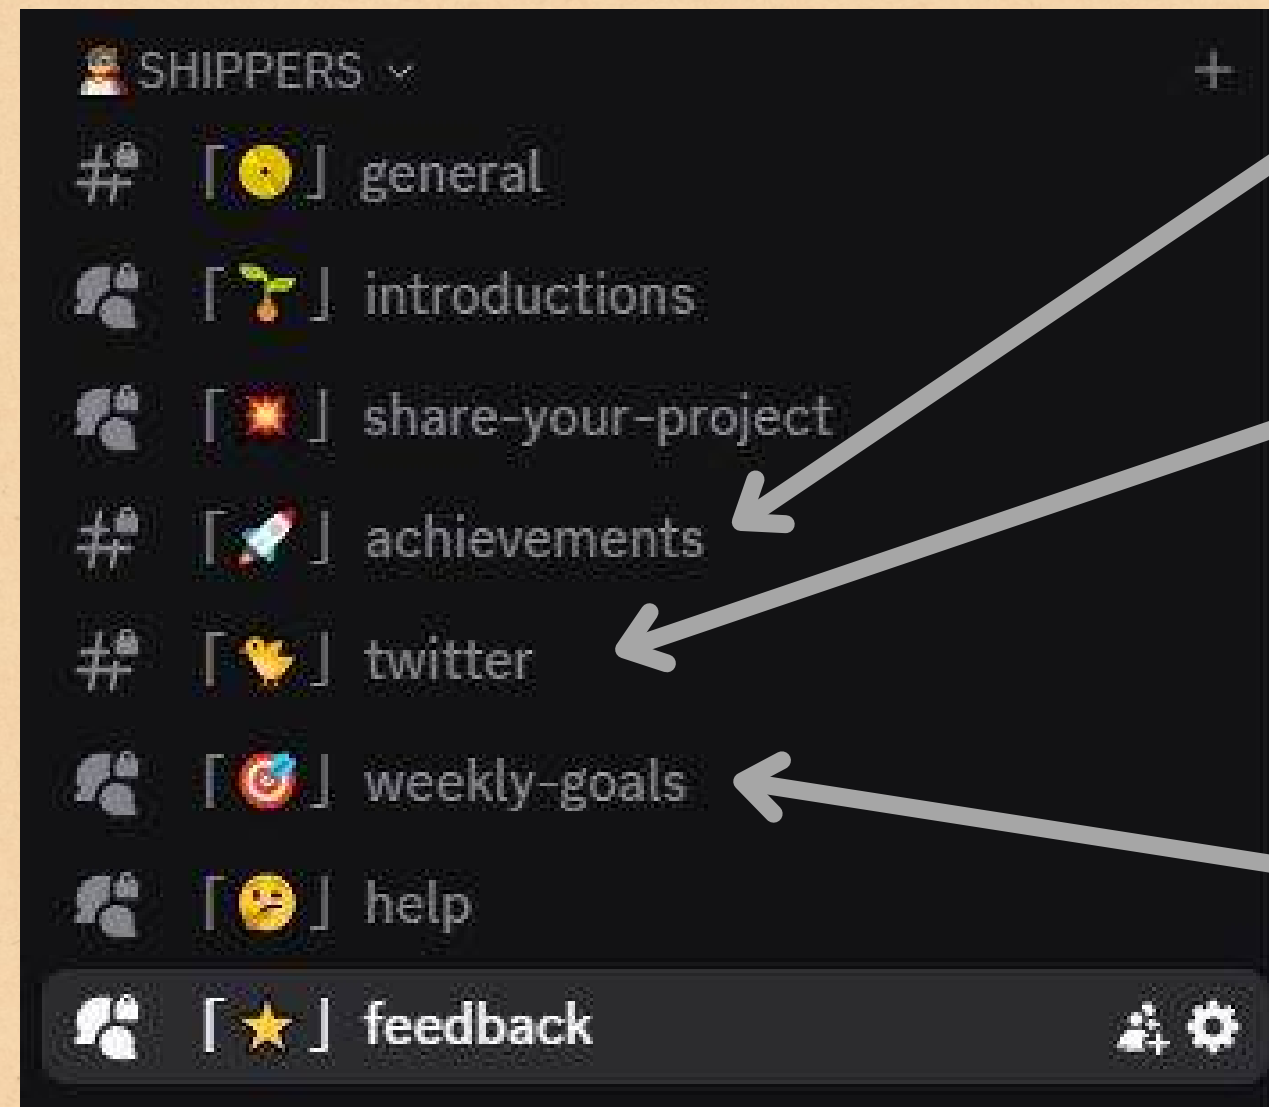

Share your project

Do you already have some projects? Share them there. It will be like a directory.

SHIPPERS 2

05/08

Where we will spend most of our time...

Achievements

It's not only about helping people.

We should also share what we achieve and celebrate it.

This channel is the place.

Twitter (X)

You made a new post?

Want to share your X profile?

Talk about X trends?

Make it here.

Weekly Goals

Magic comes again...

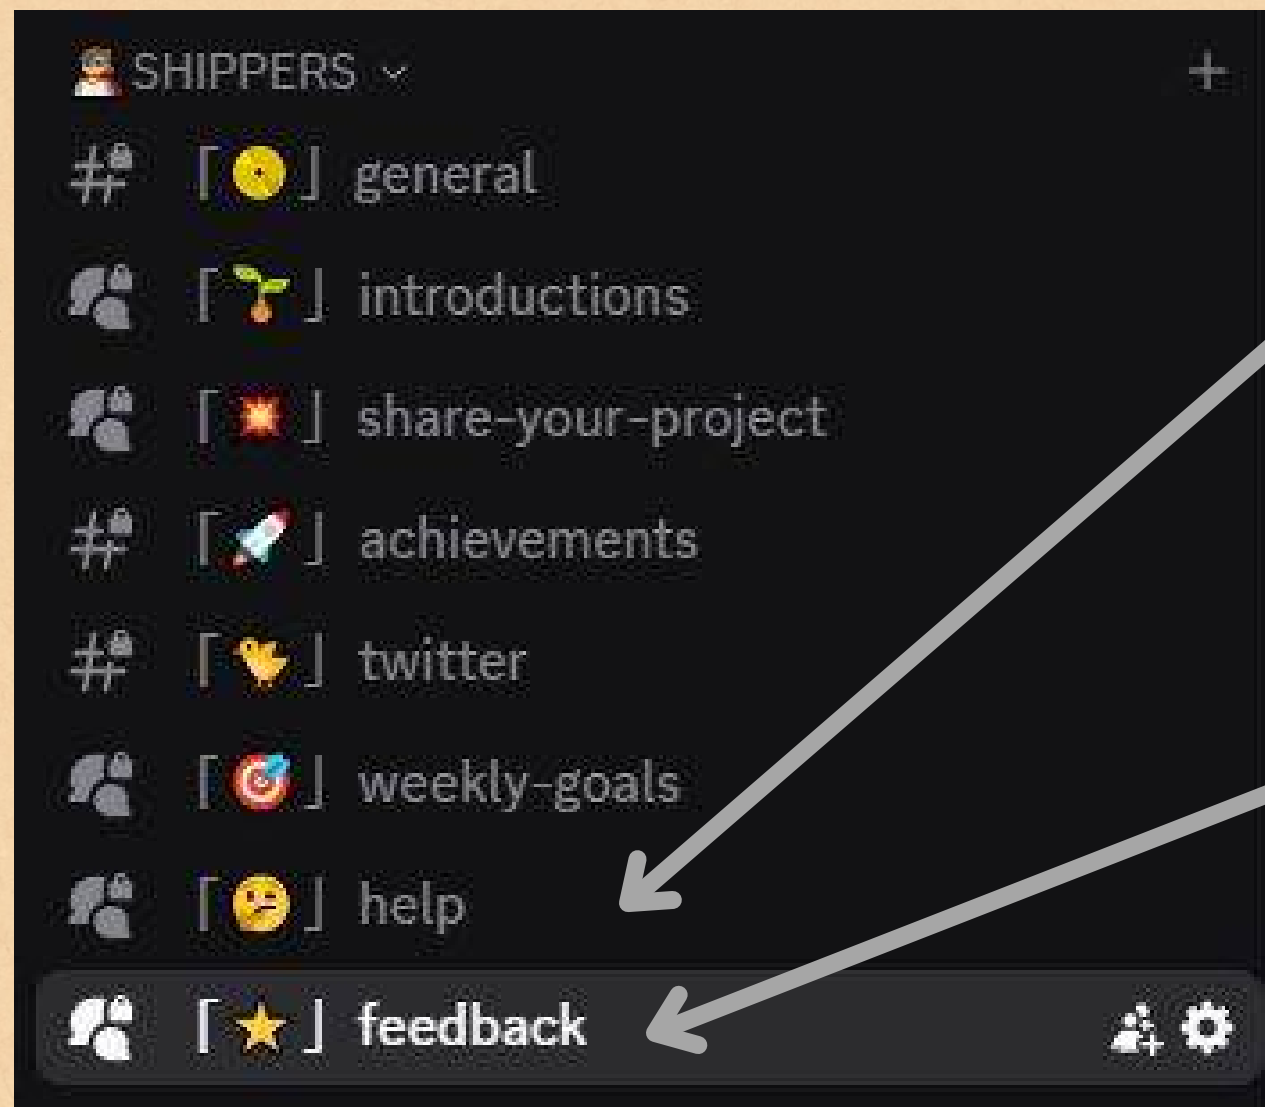

Use /goals set every Sunday or Monday.

Everyone will see your goals, and help you to achieve them.

SHIPPERS 3

06/08

Where we will spend most of our time...

Help

Need some help?

Do you have a bug? Burnout? Looking for a tool?

Ask for help there, all the community will be there to help you.

Feedback

This channel is for requesting feedback on your projects.

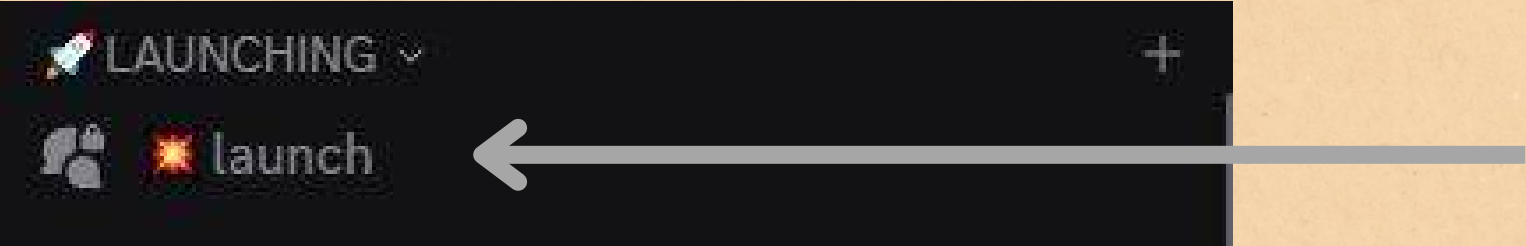

Want better replies?

Be specific about what you need.

LAUNCHING

07/08

Where we will spend most of our time...

Launch

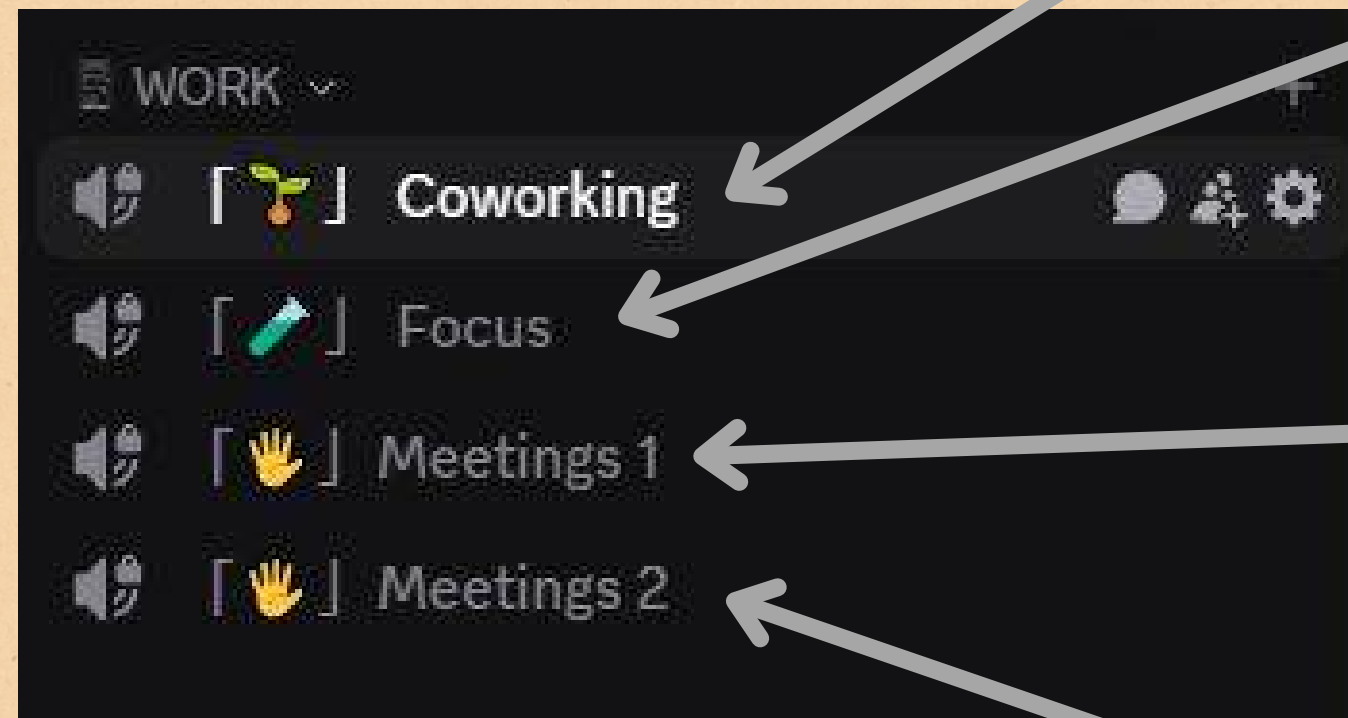

Share your Launch with us. Make your product more visible.

We will help you with up-votes, likes...

WORK

08/08

Wanna work and focus?

Coworking

If you wanna work with more people here's the place

Focus

Webcam active
No microphone
Just work

Meetings 1

Wanna connect with someone? You can use this channel to make the meet

Weekly meeting will happen here too

Meetings 2

Same as Meetings 1 but in case it is already used.
